

Menu-ja jonë përfaqëson një ndërthurje të ndikimeve aziatike, mesdhetare dhe latine, në të cilën sushi dhe pjatat e frymëzuara nga Japonia marrin qendrën e vëmendjes. Kryesisht të krijuara për t'u ndarë mes miqsh, secila pjatë nxjerr në pah përbërës të freskët të përzgjedhur me kujdes, me një prezantim të thjeshtë por elegant.
